

SSA`2008 Conference

Â SSA`2008 - THE SECOND INTERNATIONAL CONFERENCE "SUPERCOMPUTER SYSTEMS AND APPLICATIONS"

The SSA`2008 Conference was held in Minsk (Belarus) on 27-29 October 2008. The programme of SSA`2008 included feature keynotes of well-known HPC and Grid networks specialists, parallel sessions covered a wide spectrum of HPC & Grid related topics. Interoperability aspects of various Grid technologies were largely discussed. On the basis of the Conference were organized the Seminar on GRID-technologies under the program "SKIF-GRID" and open joint meeting of participants of "SKIF-GRID" program and E! project "BalticGrid-II". Participant from RENAM Dr. P. Bogatencov presented report entitled "ON DEVELOPMENT OF NATIONAL GRID INFRASTRUCTURE IN MOLDOVA" prepared together with Dr. V. Sidorenco, A. Altuhov and V. Pocotilenco.
